CMN 4723: PRINCIPLES OF TEACHING

INSTRUCTIONS: Answer *Any Four Questions*. Each question carries **10Marks**. Exhaustive answers carry full marks in each question.

1. Jesus is our Master Teacher. Putting in considerations the fact that we are Christ Ambassadors in the contemporary society, list and describe at least five characteristics we can learn from Him in order to be the kind of teachers He desires us to be.
2. As a Christian teacher, you need to help your students grow. Mention and briefly describe four main areas you need to help your students grow and use scripture to support your answer.
3. There are four main kinds of growth which require your attention as a teacher as you help your students. Use scriptural references as you mention and describe such kinds of growth.
4. You have been asked to provide a lesson plan for your Sunday school class on a topic of your choice by your senior pastor. Based on the discussions and readings done in class, design a comprehensive lesson plan that can be used by any Sunday school volunteer given a chance to teach your class on a Sunday morning.
5. In our main text book, Ronald Shaw mentions four main areas in which a teacher needs to know and understand his work. List and describe in detail each of these four aspects a good teacher should know.
6. Teaching aids have values in any learning situation. Mention at *least five* teaching aids you know and describe at least *five values* of teaching aids in your own words.
7. Describe at least three main areas one needs to consider before a lesson delivery in a class set up in the formal system of education and learning.

GOD BLESS & GOOD SUCCESS
