TIME:

DURATION: 3 HOURS

INSTRUCTIONS

- Read the instructions and questions carefully before you write the answers.
- Answer any **TWO** questions
- *ALL PAC University's examination rules and*

Question One

Matete is a village in Kakamega, the village is highly characterized with the elderly population. This is as a result of the younger generation migrating to the urban centres and cities to seek for employment opportunities without leaving a trace.

- a.) Citing five relevant examples, discuss the impact of inadequate social protection on the wellbeing of this community. (10 marks)
- b.) Using relevant examples, propose any five targeted interventions that a social protection program could implement to enhance the quality of life for the elderly in this community. (10 marks)

Question Two

- a.) Using relevant examples, discuss how any five social protection principles could be applied to address challenges in access to healthcare services in your country. (10 marks)
- b.) Discuss the role of social protection in community development citing five relevant examples. (10 marks)

Question Three

Chausiku is a 15-year-old girl who sat for her Kenya Certificate of Primary Education in 2023. Due to her family's financial status, it has already been made clear to her that she will not be joining high school come the year 2024. The family is already seeking for a potential employer to give out Chausiku as a domestic worker so that she can help raise financial support for the family.

- a.) Discuss any four roles of the family in child protection. (8 marks)
- b.) Explain any four forms of child abuse that Chausiku is most likely to experience if she ends up as a domestic worker. (8 marks)
- c.) As a child social worker in this community describe two alternative strategies that you would offer to the family, as solutions to the problem at hand. (4 marks)
