TIME:

INSTRUCTIONS

- Read the instructions and questions carefully before you write the answers.
- **Answer any TWO questions**
- *ALL PAC University's examination rules and regulations apply*

Question one

- a) Young people are assets rather than problems to be solved. Using examples discuss any five youth traits that justify this statement. (10 marks)
- b) Citing appropriate examples, differentiate between traditional youth service and positive youth development. (10 marks)

Question two

- a) As the world attempts to leave no one behind in attainment of the Sustainable Development Goals (SDG). With relevant examples discuss five ways governments and non-governmental organizations in Africa are working to ensure that youths are not left behind. (10 marks)
- b) Citing relevant examples discuss the significance of youth participation and engagement in community projects. (10 marks)

Question three

Selina has been hired as a youth development officer at Vijana Shupavu Organization at Kwihota informal settlement.

- a) Using relevant examples discuss five reasons why it is important for Selina's community to understand the different stages of human growth and development as she works with the youth at Vijana Shupavu.
- b) With relevant examples describe how Selina can support the development 5 Cs approach for the youths enrolled in Vijana Shupavu
